

1. Under normal conditions only one man per vehicle is provided. However, if additional assistance is needed to load or unload the freight, extra labor can be provided (subject to availability) to assist in loading, unloading or transferring freight.
2. The following charges will apply for extra labor:
For 3 hours or less (Per Extra Man).....\$305.55
Each additional hour in excess of 3 hours (Per Extra Man, Per Hour) \$127.30
3. Time spent by extra labor will be computed from the time the extra labor arrives at the work location until the loading or unloading is completed. The charges will be paid by the shipper if extra labor is used for loading, and by the consignee if the extra labor is used for unloading.
